About the Manitoba Airshow

2020 marks the return of the Manitoba Airshow! After the success of the 2018 Manitoba Airshow, Southport is excited to host this thrilling event once again. This year's event will feature two days of breathtaking performances by military and civilian performers as well as plenty of ground-level entertainment including food trucks, kids activities and static displays where people can get up close and personal with some of the aircraft.

The organizers project an approximate attendance of 10,000 guests per day. This is an exceptional opportunity for your business.

We look forward to working with you!
